AND WHEREAS in the Air Services Fees Regulations made by Order-in-Council P.C. 1967-9367 of May 11, 1967 which were revoked by Order-in-Council P.C. 1970-1559 of September 9, 1970 and substituted by new Air Services Fees Regulations pursuant to Order-in-Council P.C. 1970-1560 of September 9, 1970 "trans-oceanic flight" is defined as a flight between Canada and a place outside of Canada, Mexico, St. Pierre and Miquelon or United States and that passes over or is intended to pass over the Atlantic Ocean, the Caribbean Sea or the Gulf of Mexico.

AND WHEREAS the intent of the change in this definition as provided in the new Air Services Fees Regulations made pursuant to Section 3B of the Aeronautics Act and Order-in-Council P.C. 1970-1560 of September 9, 1970, was to exclude from trans-oceanic flights those flights made to the Caribbean area, but the change in the definition failed to give effect to this intent.

AND WHEREAS by order of the Minister of Transport dated December 15, 1970, made pursuant to Section 3B of the Aeronautics Act and the aforesaid Order-in-Council P.C. 1970-1560, the definition of "trans-oceanic flight" was consequently amended to mean a flight between Canada and a place outside of Canada that passes over the Atlantic Ocean, except a flight between Canada and any point outside of Canada lying west of a line running from the most easterly point in Canada to the point of intersection of 45° West Longitude and 0° Latitude.

AND WHEREAS the said Ministerial order is effective as of the date thereof, namely, December 15, 1970, and the amendment

has the effect of reducing the fees for landings of an aircraft in Canada from outside of Canada and landings of an aircraft at points in Canada prior to a flight to the Caribbean area by applying the lower fees payable for concluding international flights and domestic flights respectively, and on a flight from the Caribbean area by applying the lower fees payable for concluding international flights pursuant to the Schedules hereinbefore set out.

AND WHEREAS the Department had previously made a commitment to airlines and other owners of aircraft that effective April 1, 1970, aircraft which made landings as set out in the paragraph immediately preceding, would be charged at the lower domestic rate set out in Schedule B or at the lower international rate set out in Schedule C, and on flights from the Caribbean area which made landings in Canada, would be charged at the lower international rate set out in Schedule C.

AND WHEREAS during the period April 1, 1970 to December 15, 1970, fees were assessed on known and unknown airlines and owners of aircraft at the higher trans-oceanic rate with respect to landings of aircraft at points in Canada prior to flight to the Caribbean area and landings of aircraft after concluding an international flight on flights from the Caribbean area.

AND WHEREAS the difference in the fees actually paid or payable during this period and the fees which would be payable by the known airlines and owners of aircraft pursuant to the Department's commitment amounted to \$445,136.45, and that in view of the

said commitment to the airlines and owners of aircraft it is proposed to remit this difference of \$445,136.45, and also to remit the difference, up to a total of \$5,000.00, between fees actually paid or payable during this period and the fees which would be payable due to the Department's commitment to those unknown airlines and owners of aircraft when they become known and are entitled thereto.

THEREFORE, His Excellency the Governor General in Council, on the recommendation of the Minister of Transport and the Treasury Board, pursuant to Section 22 of the Financial Administration Act, is pleased hereby to approve the remittance of the aforesaid difference totalling \$445,136.45 in the fees paid or payable by known airlines and owners of aircraft, and the aforesaid difference, up to a total of \$5,000.00, in the fees paid or payable by those unknown airlines and other owners of aircraft when they become known and are entitled thereto, such remission to be granted by:

- (a) repaying those airlines and owners of aircraft the difference between the fees paid or payable by them and the fees intended by the Department to be payable, and
- (b) forbearing to institute proceedings against all airlines and other owners of aircraft who did not pay those fees.

THIS AGREEMENT made in triplicate this seventeenth day of June, A.D. 1971.

B E T W E E N:

HER MAJESTY THE QUEEN in right of Canada, as represented by the Minister of Industry, Trade and Commerce, Jean-Luc Popin, hereinafter referred to as "the Minister"

PARTY OF THE FIRST PART

A N D:

THE PUBLIC SERVICE COMMISSION of Canada hereinafter referred to as "the Commission", as represented by the Chairman, J.J. Carson

PARTY OF THE SECOND PART

A N D:

JULES DEMICHEU, of the City of Ottawa, in the Province of Ontario, hereinafter referred to as "the Complainant", and J. CHARLISLE HANSON, O.C., Barrister and Solicitor of the City of Ottawa, in the Province of Ontario, hereinafter referred to as "the Solicitor",

PARTIES OF THE THIRD PART

WHEREAS a complaint was lodged by the Complainant on or about the 26th day of February, 1971, with the Fair Employment Practices Branch of the Department of Labour, alleging that the Complainant was unfairly treated and discriminated against in his employment in the Public Service of Canada during the years 1968 and 1969, by the Minister, his Deputy Minister, J.H. Warren, and David Morley of the Commission,

AND WHEREAS the Canada Fair Employment Practices Act does not apply to Her Majesty, Her Servants, officers, and agents, or the Commission,

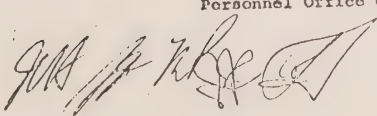

AND WHEREAS it was the desire of Her Majesty's Privy Council for Canada that the principles underlying the Fair Employment Practices Act be nonetheless applied to the disposition of this complaint,

AND WHEREAS it was the agreement of all parties hereto that the Minister of Labour cause an inquiry to be conducted into this complaint with a view to attempting a satisfactory resolution thereof,

AND WHEREAS such an inquiry has been conducted,

AND WHEREAS the parties hereto agree that the following is an accurate statement of the pertinent facts and events:

- I (a) When the Complainant joined the Public Service of Canada in the Department of Trade and Commerce as Comptroller-Secretary on or about the 17th day of June, A.D. 1968, both the Personnel Office of the said Department, and the

Commission, had received written as well as verbal references from the Complainant's previous employers which highly lauded his abilities and his character, and high hopes were expressed for the Complainant's long association with the said Department.

- (b) Very soon after the Complainant commenced work, i.e., on or about the 12th day of July, A.D. 1903, the Governor in Council announced the proposed merger of the said Department with the Department of Industry, and directed that there be immediate planning towards this end.
- (c) As a result of the merger of the two Departments, a large number of positions necessarily became redundant, and the needs in the area of financial administration changed greatly, with the result that there was not found an appropriate matching of the needs of the new Department with the qualities and the abilities of the Complainant, comparable to the position of Comptroller-Secretary, despite the efforts of the Personnel Officer and others in the Department.
- (d) The transitional period during the merger between the two existing and operating Departments coincided with a period when the Government of Canada, pursuant to the recommendations of the Royal Commission on Bilingualism and Biculturalism, had committed itself to increasing the bilingual capacity in the Public Service, as well as encouraging larger numbers of Francophone Canadians to enter the Public Service of Canada. These policies, however, have been declared repeatedly by the Governor in Council to be applied in a manner consistent with the merit principle of appointment and promotion, and it is recognized herewith by the parties hereto that these policies were not factors in the subsequent failure to find a position in the new Department suitable to the needs and qualifications of the Complainant and the needs of the Department, nor were they factors in the subsequent termination of his employment in the public service.
- (e) Due to the efforts of the Government to minimize the increase in public expenditures during this period, alternative employment of a mutually suitable nature was not found for the Complainant despite the conscientious efforts of David Morley, and other officers of the Commission.
- (f) The circumstances hereinbefore summarized uniquely affected the Complainant, in that he had just moved his family and himself from overseas to Canada, had just cut his past associations with private corporations, and the prospects of long employment had been mutually expressed.

John A. Morley

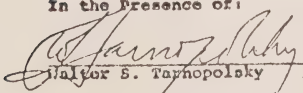

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the mutual covenants and agreements herein contained, and subject to the terms and conditions hereinafter set out, the parties and their representatives, hereto agree as follows:

- XI (a) Her Majesty will make an ex gratia payment in the amount of twenty-two thousand four hundred and sixteen (\$22,416.00) dollars which amount shall be equivalent to:
- (1) six month's salary at the rate of remuneration at the time of employment;
 - (2) moving expenses to London, England, as authorized by the Governor in Council for a Foreign Service Officer in the Department of Industry, Trade and Commerce;
 - (3) and costs incurred by the Complainant in prosecuting this complaint, which are agreed at ten per cent (10%) of the total of (1) and (2) above.
- (b) The Minister shall deliver to the Complainant, within ten days of the making of this agreement, a letter from his Deputy Minister setting out the matters as agreed in Clause I hereof.
- (c) The Complainant does hereby withdraw and discontinue his complaint and does release and forever discharge Her Majesty, Her Officers, servants and agents, including but not restricting the generality of the foregoing, J.M. Warron; and the Minister, and the Public Service Commission, and its officers, servants and agents, and David Morley, of and from all manner of actions, causes of action, claims or demands of whatsoever kind or nature which the Complainant had, now has or may hereafter have as a result of or in any way arising out of his employment in the Public Service of Canada during the years 1968 and 1969, or in any way arising out of the termination thereof.
- (d) The disposition herein is accepted as a fair, equitable and final settlement of the matters between the parties.

IN WITNESS WHEREOF the parties hereto have hereunto set their hands and seals on the day and in the year first above written.

WHEREAS the Minister of Transport, on the advice of The St. Lawrence Seaway Authority reports as follows:

that by Order in Council P.C. 1965-2174 dated the 2nd day of December 1965, approval was given to The St. Lawrence Seaway Authority for the taking or acquiring without the consent of the owner of the lands described in the schedule thereto in connection with, amongst other things, the diversion of the southerly section of the Welland Canal between Ramey's Bend and Port Robinson;

that the lands described in the schedule thereto were duly expropriated by Notice of Expropriation registered on December 6, 1965;

that one of the properties expropriated on December 6, 1965, consists of 109.88 acres, more or less, of vacant land being part of Lots 16 and 17, Concession 1, and part of the road allowance between Lots 16 and 17, formerly of the Township of Crowland and County of Welland, now in the City of Welland in the Regional Municipality of Niagara and Province of Ontario;

that due to the expropriation of the latter parcel of land for the diversion of the Welland Canal it was considered necessary to purchase a total of 123.228 acres of land including the 109.88 acres expropriated from the owner, Mr. A. Balogna;

that at the time of expropriation, the exact location of railway and road tunnels under the canal diversion had not been ascertained, nor had the consequent relocation of railway facilities which were required to be accommodated under and across the canal diversion in one such tunnel;

that the sites for the railway and road tunnels and the railway relocation have now been determined;

that the Authority is pursuing a land acquisition program for railway relocation purposes;

that by Order in Council P.C. 1970-1572 dated September 9, 1970, it was declared on the recommendation of The St. Lawrence Seaway Authority that the lands described in the schedules thereto were deemed to be required for works necessary incidental to works undertaken pursuant to The St. Lawrence Seaway Authority Act;

that the lands described in schedules "A" and "B" of the said Order in Council P.C. 1970-1572 have since been purchased or expropriated by Notice of Intention to expropriate dated January 19, 1971, and subsequent Notices of Confirmation of Expropriation dated April 15, April 23, and June 14, 1971;

that one of the registered owners of the private lands expropriated on April 15, 1971, Mr. and Mrs. Carl Ferland have represented that they are prepared to convey the one acre of land required by the Authority in exchange for a 3 acre parcel of land (being part of the additional purchase from Mr. Balogna) together with costs and expenses of moving the dwelling, garage and barn located thereon to the new site; and

that in view of the fact that the 3 acre unimproved parcel of surplus land purchased from Mr. Balogna is not useful to the former owner, and that the estimated value thereof is comparable to the improved residential 1 acre parcel to be acquired, the proposed exchange of land is desirable to the Authority.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport, pursuant to the Public Lands Grants Act, is pleased hereby to authorize the St. Lawrence Seaway Authority to convey by Letters Patent to Carl and Audrey Ferland, a parcel of land being part of Lot 16, Concession 1, formerly of the Township of Crowland in the County of Welland, now in the City of Welland in the Regional Municipality of Niagara and Province of Ontario, containing by admeasurement an area of 3.0 acres, more or less, in exchange for the conveyance to the Authority of 1.0 acre, more or less, of land being part of Lot 16, Concession 2, formerly of the Township of Crowland in the County of Welland, now in the City of Welland in the Regional Municipality of Niagara and Province of Ontario.

S/S VARNA

Used by Trans-World Shipping Limited from September 4, 1970 to September 10, 1970 for a cruise from Montreal to the Saguenay River and return. The Water Transport Committee of the Canadian Transport Commission concurred that no Canadian passenger vessel was available for this purpose. Upon importation the "S/S Varna" was appraised at \$1,000,000.00 for Customs duty purposes and the sum of \$2,083.25 was collected as the duty on 1/120th of the value of the vessel for one month. The remission involved amounts to \$247,916.75.

S/S INGUA LIGHT

Used by Chimo Shipping Limited from May 14, 1970 to May 21, 1970 to transport heavy electrical equipment from Montreal to Holyrood, Newfoundland. The Water Transport Committee of the Canadian Transport Commission concurred that no suitable Canadian vessel was available for this purpose as there are no harbour facilities at Holyrood, Newfoundland. Consequently, it was necessary to utilize a vessel specially designed for beach landing. In addition, the "S/S Ingua Light" is specially equipped with crane on board for loading and unloading at locations without such facilities. Upon importation the "S/S Ingua Light" was appraised at \$1,935,000.00 for Customs duty purposes and the sum of \$4,031.25 was collected as the duty on 1/120th of the value of the vessel for one month.
